

We know it all! The goldrush

What do you know about this time in New Zealand's history?
Fill in the chart as a class or in a group.

	What we know	What we think we know
Which parts of New Zealand did the prospectors head to in their search for gold?		
About when did the Otago goldrush happen?		
What did the miners need to live and do their job?		
What did miners do when they weren't looking for gold?		
Who made more money than most miners on or around the goldfields?
