Right behind its US premiere, comes TV2's brand new series *The Flash*!

Barry Allen was 11-years-old when his mother was killed in a bizarre and terrifying incident and his father was falsely convicted of the murder. With his life changed forever by the tragedy, Barry was taken in by Detective Joe West, the father of his best friend, Iris.

Determined to discover how his mother died, Barry retreated into the world of science, tracking down every urban legend and chasing the impossible.

But when an unexpected accident at the S.T.A.R. Labs Particle Accelerator facility strikes, Barry find himself turning into one of the mysteries that he use to pursue. Gifted with incredible speed, Barry is faced with a choice: hide in the shadows, or become a hero.

With the help of billionaire visionary Harrison Wells, biogenetics expert Caitlin Snow and the eternally upbeat Cisco Ramon, Barry begins testing the limits of his powers and using them to stop crime, ensuring that no one suffers as he once had to.

Barry Allen -- aka The Flash -- is finally moving forward in life ... very, very fast!

ARROW THURSDAY 9TH OCTOBER, 9.30PM

It's a brand new season of Arrow right behind its US premiere!

In last season's dramatic finale, Arrow narrowly defeated the vengeful Slade Wilson, his onetime ally and mentor.

But like all wars, there were casualties. Sacrificing herself for her children, Moira Queen fell at the hand of Deathstroke, sending Oliver's sister Thea into self-imposed exile with her biological father, Malcolm Merlyn.

Now, to honor his fallen friends and family and protect the people he loves, Oliver must rededicate himself to his cause - to become a beacon of hope for those most in need, and a weapon of justice against those who prey upon them.

He is The Arrow.
