

TOTE BAG

1

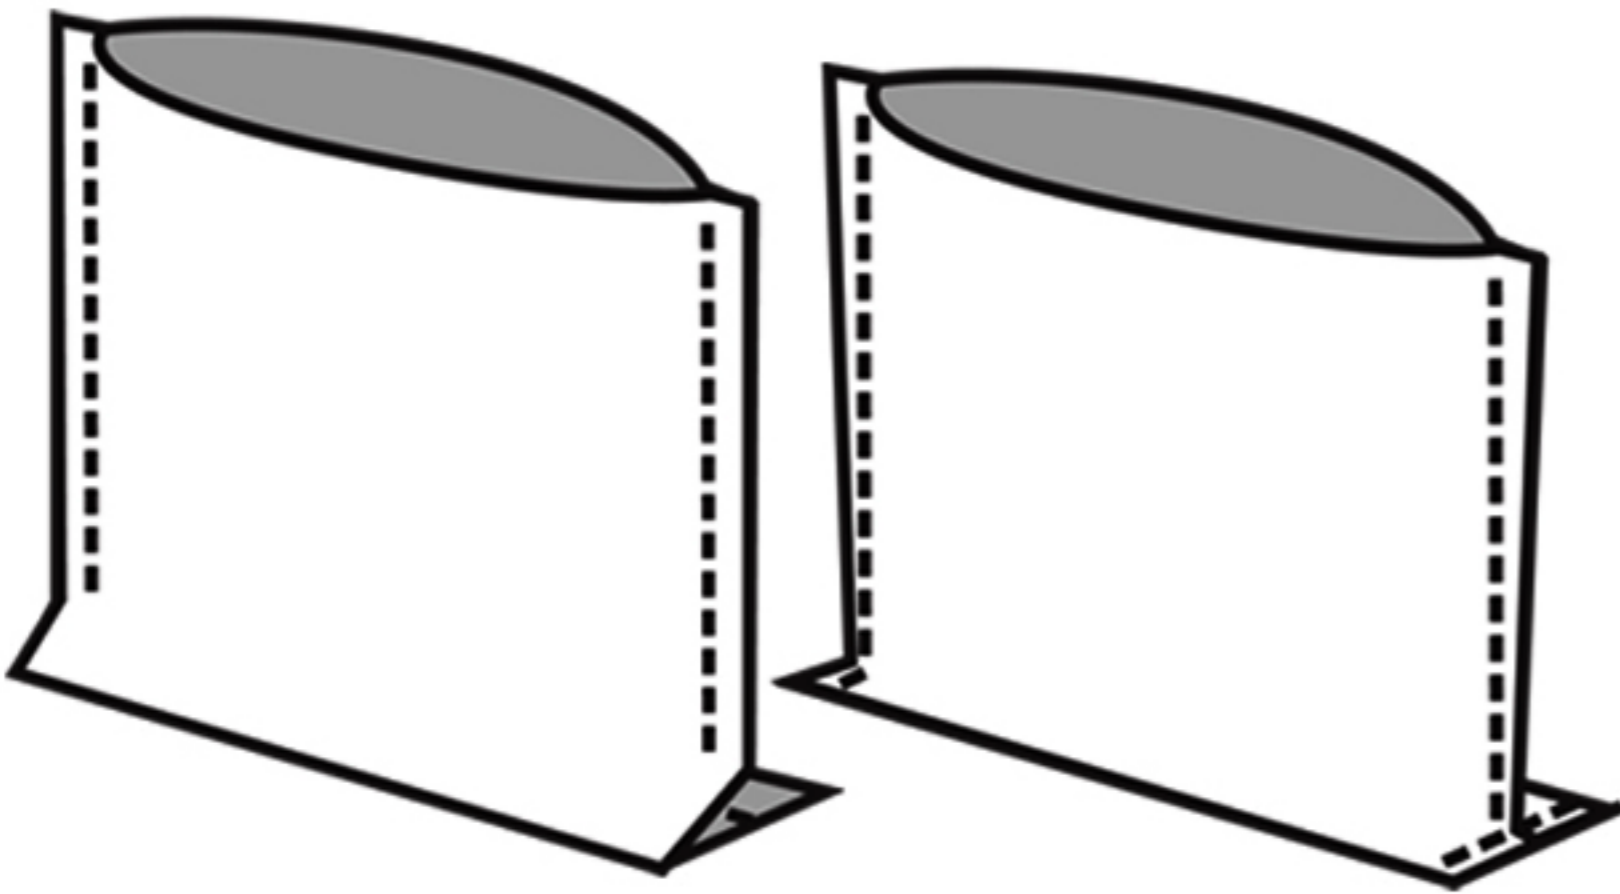

Cut out 2 same-sized squares from your roll of fabric

2

On the bottom left & right of each piece of fabric, cut out a perfect square corner

3

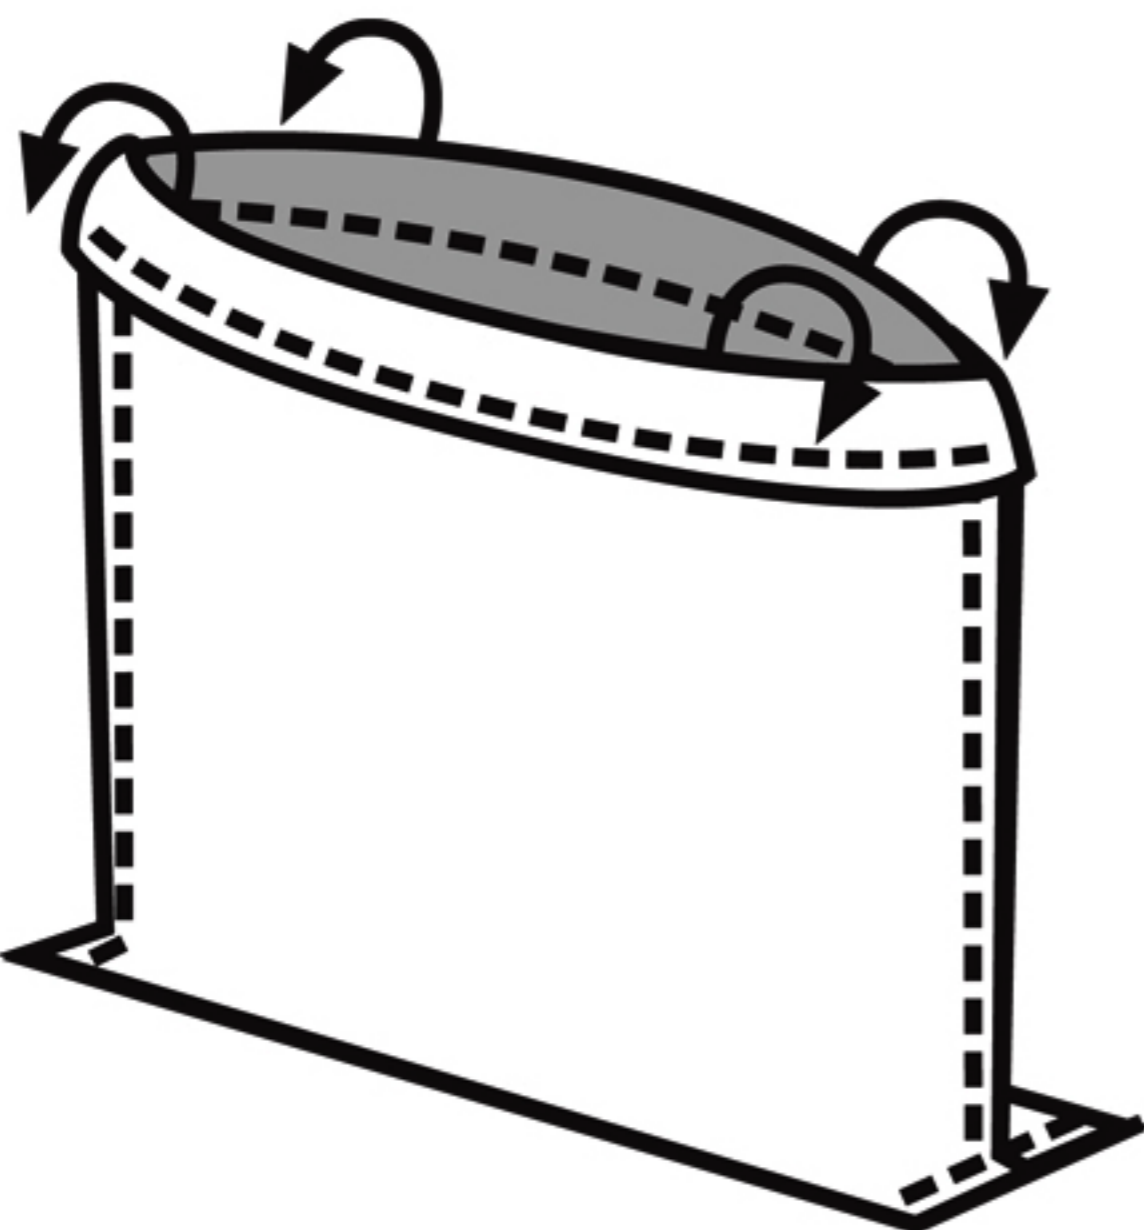

With the fabric squares inside out & back-to-back. Sew around the edges

4

Take 2 strips of fabric (however long you'd like your straps to be). Leave at least 2cm on the edges. Fold in half & inside out sew up one side of each strip before turning them inside out again

5

Fold down the top and sew

6

Sew straps on then turn the bag inside out so the pattern is on the outside.
