

ONE NEWS

Advertising Specifications for One News Video
on stuff.co.nz

(Applicable for all Advertising)

If requested advertisements do not meet the specifications expressed below, tvnz.co.nz will be unable to commence the campaign, and the client will be required to revise the creative, at their own cost.

Creative Deadlines

- Standard advertising units must be received no later than 3 working days prior to the commencement of the campaign.
- All Rich Media Advertising (Floating Layers and Expanding Banners etc) must be approved at least 5 working days prior to commencement of the campaign, with creative received no later than 3 working days prior to campaign commencement.

Accepted Data Formats

- GIF
- JPG
- SWF(must have back up GIF)
- Third Party Redirects

Click-throughs

- An active linking URL, not exceeding 128 characters, must be provided with all creatives.
- Click-through URLs must not contain spaces or the ‘&’ character.
- Click-throughs embedded in flash files must follow the format laid out in the Flash Style Guide.

Image Display

- In standard ad units there is no limit to the amount of times that an animation can repeat.
